Description

Get expert knowledge in a virtual learning network with human performance, sports medicine, and nutrition experts. The curriculum is designed to expand expertise in areas of concussion care, injury prevention, and other therapies and approaches that can help mitigate systematic health threats in the broader Oklahoma population.

Learning Objectives

- 1 Recognize the importance of a clear, concise Emergency Action Plan.
- 2 Identify the components of a thorough Emergency Action Plan.
- 3 Develop, rehearse, and implement site specific EAPs.

Accreditation & Credit Designation

The Oklahoma State University College of Osteopathic Medicine is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The Oklahoma State University College of Osteopathic Medicine designates this program for a maximum of (1.0) AOA Category 1-A credit(s), and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Approved for up to (1.0) AAFP Elective credit(s).
