Description

Get expert specialist knowledge in a virtual learning network in collaboration of the Oklahoma State Department of Health, The Perinatal Center and The Oklahoma State University Department of Obstetrics and Gynecology. The curriculum is designed to expand expertise in best practices and evidence-based care of high-risk pregnancies, including opioid and other substance use disorders.

Accreditation & Credit Designation

The Oklahoma State University College of Osteopathic Medicine is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The Oklahoma State University College of Osteopathic Medicine designates this program for a maximum of (1.0) AOA Category 1-A credit(s), and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Approved for up to (1.0) AAFP Elective credit(s).
