All Specialties

Description

For Community Providers, Supervisors and Administrators Get expert knowledge in a virtual learning network with Infant Mental Health Experts. The curriculum is designed to expand expertise in areas of infant mental health in the areas of clinical, supervision and administrative.

Learning Objectives

- 1 Apply infant mental health provider knowledge, skills, and self-efficacy in the prevention, assessment and treatment of infants and young children in the area of infant mental health.
- 2 Support infant mental health in clinics across the state of Oklahoma.
- 3 Focus on clinical issues in infant mental health as well as starting up and continuing successful infant mental health programs.

Accreditation & Credit Designation

The Oklahoma State University College of Osteopathic Medicine is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

The Oklahoma State University College of Osteopathic Medicine designates this program for a maximum of (1.25) AOA Category 1-A credit(s), and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

Approved for up to (1.25) AAFP Elective credit(s).
