# **Infant Mental Health ECHO - 2025**

## **Case Conceptualization**

December 16, 2025 9:00 AM  
Live Activity  
Online

### **Specialties**

All Specialties

### **Description**

For Community Providers, Supervisors and Administrators Get expert knowledge in a virtual learning network with Infant Mental Health Experts. The curriculum is designed to expand expertise in areas of infant mental health in the areas of clinical, supervision and administrative.

### **Learning Objectives**

- 1 Identify key principles and practices of infant mental health in prevention, assessment, and treatment.
- 2 Demonstrate evidence-based strategies in clinical scenarios to prevent, assess, and treat mental health concerns in infants and young children.
- 3 Recall common clinical issues in infant mental health, such as attachment disorders or trauma.
