

CONTINUING MEDICAL EDUCATION

OSU Center for Health Sciences

CME Eligibility for Complimentary Registration

OSU-CHS provides complimentary CME registration under the following circumstances:

- **OSU-CHS Employees**
Complimentary CME is available to all current OSU-CHS faculty and staff.
- **Interns, Residents, and Fellows**
All interns, residents, and fellows, regardless of institutional affiliation, are eligible for complimentary CME.
- **Programs Open to All**
CME activities that are advertised as free for all participants are available at no cost to everyone.
- **Faculty, Speakers, and Planners**
Physicians who serve as speakers, moderators, course directors, or planning committee members may receive complimentary registration for the activity in which they serve.

Not Eligible for Complimentary CME

Individuals who are not OSU-CHS employees are not eligible for complimentary CME. This includes:

- Employees of other OSU campuses (e.g., OSU Stillwater, OSU Institute of Technology, OSU-Oklahoma City).
- Physicians employed by OSU Medical Center or affiliated clinics.
- Physicians employed by outside physician groups (e.g., contracted hospital-based practices such as anesthesia, radiology, or emergency medicine).

These individuals may register and pay the published fair market value (FMV) fee to participate in CME activities.
